The City of Concord will host yard waste bag giveaways each month on a first come, first served basis. **Yard waste paper bags (limit of 10 per household each month) and stickers that say "YARD WASTE"** for residents who prefer to use their own reusable container will be distributed at the events.

For more information, please visit: [concordnc.gov/solidwaste](http://concordnc.gov/solidwaste) or call 704-920-5555

Solid Waste Services requires yard waste to be placed in paper bags or a reusable container clearly labeled "yard waste." These changes have been in effect since July, please remind neighbors if you see their yard waste placed incorrectly outside.

To help ease the transition, the City of Concord will be hosting monthly yard waste bag and "yard waste" label stickers giveaways.
