

**CITY OF CONCORD ELECTRIC SYSTEMS DEPARTMENT**  
**PEAKING PARTNERS**

Please complete the following information. This form will be used, by the City of Concord Electric Systems, to send the CONTACT person (listed below) an email, text or voice message when we have evidence that a PEAK POWER situation is going to occur. This program will ask our customers to adjust the cooling system thermostat to at least 3 degrees higher than normal, turn off lights, delay the use of major appliances or equipment, and conserve electricity in any other way. This situation will normally occur on hot summer weekdays between 1 PM and 6 PM.

This is a voluntary program for our customers. The City of Concord Electric Systems Department appreciates your assistance with helping us exercise restraint with the peak energy demand for our total system. By participating, you are **partnering** with us to help control the rising wholesale purchase power cost.

**Thank you again for your participation as a PEAKING PARTNER.**
