

## ADDENDUM 1

### City of Concord Wilson Street Park – Phase I

**Bid # 2518**

**December 7, 2021**

1. Plans have been updated with changes. This link can be used to obtain the updated version of the plans on the City of Concord Website:

<https://concordnc.gov/Departments/Finance/Purchasing/RFPs-RFQs-and-Bids> . The updated plans incorporate the following changes:

- A2.0. Additional rain screen information added
- A2.1 New siding layout drawing with more detailed information
- A3.0 Additional rain screen information added

2. Contractor is responsible to review Wilson Street Park Project Geotech Report posted on our web site and to consider all recommendations in submitted bid amount.

3. There are specs for the drinking fountain in the fixture schedule but in the detail on P-2 it says the DF will be provided by the owner. Which is correct? **Contractor is to provide drinking fountain.**

4. Contractor is responsible for all water and sewer tap fees. City of Concord has a fee schedule for the City to make the taps.

5. Bidder will need to acknowledge the receipt of Addendum 1 dated 12/7/2021 on the bid form for this project.
